

# Wedding Videography Costs

To provide client accessibility, we will work collaboratively to build a service package that best suits your circumstance. We will discuss how much or how little you want in this package using a sliding scale payment method.

## **Starting Rate:**

\$1,800 (can be negotiated for weddings under ten people) for a timeless wedding montage (4—6 minutes in length)

This includes:

- Detailed shots of the wedding outfits, marriage rings, décor, and surrounding nature/ architecture
- Shots of friends and family before the elopement
- The entirety of the wedding couple's elopement
- Music of the wedding couple's choice (with prior discussion of distribution and copyright law)

## **Additional Rates:**

- \$1000 for footage of the reception (3—5 extra minutes of included cake cutting, the wedding couple's solo dance, guest dancing, and shots of the venue)
- \$400 for First Look footage (the wedding couple's First Look prior to elopement, moments of intimacy, and walking)
- \$200 to overlay vows instead of music (audio will be recorded the week after the wedding)
- \$300 to overlay voicemail audio instead of music (friends and family will leave voicemail messages to the wedding couple, which will be recorded following the elopement)
- \$50 for five photo stills (the best video moments turned into photos—edited with improved resolution)
